## Katie Kelleher Selections Coordinator

Katie has eight years of experience working to coordinate selections for new construction and renovation projects.

Her experience began in North Miami where Katie worked two years for Nordica Engineering assisting in the renovation of cruise ships. After moving back to Minnesota, she joined Kyle Hunt & Partners where she worked with homeowners to coordinate selections for both new construction and renovation projects. In 2006, Katie transitioned from single family homes to condominiums and had just completed selections for The Grand at Excelsior & Grand before joining Schafer Richardson.

Katie currently works with the homeowners of the Phoenix on the River and her responsibilities include assisting homeowners in finalizing interior selections, coordinating selection changes with the architects and distributing final selections to the general contractor.

Katie and her husband Chris live in St. Louis Park.

### Education and Training

-BA in Biology  
University of Minnesota

### Current Projects
