Mike Omann  
Field Supervisor  
SR Construction

Mike brought his Knowledge and over 20 years in construction, commercial and residential, to SR Construction in October of 2009. Before then, you might have seen him around Schafer Richardson's buildings for the past ten years framing and hanging drywall, or maybe hanging a door.

Education & Training

-BA in Buisness Administration  
Minnesota State University  
Mankato

After college Mike joined the carpenters union for 5 years to get experience in steel framing. Mike then teamed up with his brothers and formed a Drywall company. Mike has been the lead framer on over 20 hotels and numerous office buildings for many well known general contractors in Minnesota. Mike worked on two television shows, mostly for fun: Extreme Makeovers and The Home Time Show, on PBS.

Mike and his wife, Lori, live in Fridley with there two children Abigail (6) and Joshua (5).
